A&B Properties Acquires Retail Center On Oahu; Sells Industrial Complex In Fullerton, California

January 23, 2013

HONOLULU, Jan. 23, 2013 /PRNewswire/ -- Alexander & Baldwin, Inc. (NYSE: ALEX) (Company or A&B) announced today, that its real estate subsidiary, A&B Properties, Inc., has completed the acquisition of Waianae Mall, a 170,300-square foot, 10-building retail center in Waianae, on Oahu's west shore, for \$29.8 million (\$10.1 million cash and \$19.7 million loan assumption).

"The Waianae Mall acquisition redeploys proceeds realized from a July 2012 land sale, on a tax-advantaged basis, into a favorably priced, significantly higher income-generating commercial property on Oahu," said Christopher J. Benjamin, A&B's president & chief operating officer. "Through active management of the property, we believe we can realize additional value from this investment. We've already secured a lease agreement with a tenant that will increase occupancy at the center from 79 percent at closing to 93 percent in February, when the new lease becomes effective."

Benjamin continued, "We're thrilled with the opportunity to provide retail options for Waianae's growing community, and to be re-investing in Hawaii, a market we know best. We plan to revitalize the mall and restore it as an important retail and community center for Waianae residents."

Waianae Mall, located 32 miles west of downtown Honolulu, serves as one of the primary neighborhood shopping centers on the Waianae Coast, an area that is home to approximately 35,000 residents. The property is anchored by a Long's/CVS drugstore and a City Mill hardware store. Additional tenants include American Savings Bank, Bank of Hawaii, Burger King, Goodyear Tire, Jamba Juice, Pizza Hut, Radio Shack and Starbucks. The purchase price included the assumption of a \$19.7 million mortgage, at a 5.4 percent interest rate.

In a separate transaction, the Company announced that it recently completed the sale of Northpoint Industrial in Fullerton, California, a 119,400 square-foot, two-building industrial facility, for \$14.9 million. Benjamin added, "Strong buyer demand for industrial properties in Southern California allowed A&B to achieve an attractive valuation on the Northpoint sale. We plan to reinvest the proceeds from this sale into an income producing property in Hawaii via the 1031 exchange process."

With the acquisition of Waianae Mall and disposition of Northpoint Industrial, A&B Properties' commercial property/investment portfolio consists of 8.0 million square feet of retail, office and industrial space located in Hawaii and eight U.S. mainland states.
