FORWARD-LOOKING STATEMENTS

Statements in this release that are not historical facts are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that involve a number of risks and uncertainties that could cause actual results to differ materially from those contemplated by the relevant forward-looking statements. These forward-looking statements include, but are not limited to, statements regarding possible or assumed future results of operations, business strategies, growth opportunities and competitive positions. Such forward-looking statements speak only as of the date the statements were made and are not guarantees of future performance. Forward-looking statements are subject to a number of risks, uncertainties, assumptions and other factors that could cause actual results and the timing of certain events to differ materially from those expressed in or implied by the forward-looking statements. These factors include, but are not limited to, prevailing market conditions and other factors related to the Company's REIT status and the Company's business generally discussed in the Company's most recent Form 10-K, Form 10-Q and other filings with the Securities and Exchange Commission. The information in this release should be evaluated in light of these important risk factors. We do not undertake any obligation to update the Company's forward-looking statements.
